That guy

Hello everyone.
This is reporter
Kim Kab-uk from
marketplace
news!

I am standing
here as the
reporter for the
Best Gynaeceum
Lady of Yoon-In
Contest!

LIVE
broadcast

In front of
the ChungShinKoo,
located inside Yoon-In
Gomyeong, where the
contest is held, there
are a number of small desks
arranged according
to the number of
participants.

The contest
will be held here
over the two
days.

These three
people will be
the judges for
this contest.

Judge Lee Hyeon

We shall now
hear the opening
speech by the
representative
of the judges,
the provincial
governor.

Round 1

Darye*

Yes- The Darye contest has finally begun!

The participants are serving the judges tea at their respective tables.

The judging criteria are preparation, refreshments, and the taste of the tea.

Most participants, I see, have selected high-quality green tea.

Hi~ You've learned the tea ceremony properly. Yes, how is your father doing?

Now let's have a little talk with the president of the Yeon-An Women's Society.

The Yeon-An ladies are very culturally educated.

Ah- is that so? But the best representative of Women's Quarter would still be Lady Seol, wouldn't it?

I am satisfied.

Haha- is that so?

Yes, coincidentally Lady Seol is making tea to serve the Governor and Chief of the Army. Witnessing such dignity and elegance immediately makes me think she deserves the title as ace of this contest.

Please, drink the tea.

Hm-

This is...
arrowroot
tea...P

Arrowroot
tea!?

stir

Oh my...
I smell
poverty~

I thought all
you had to do
was put it in
and boil it:P

What is
arrowroot?

stir

The thing is, I
heard that, father-
in-law, you usually
have a weak stomach
due to stress from
work. But arrowroot
tea is not only good
for the stomach,

...but it is also
effective for
headaches and high
blood pressure, and
since it's easy to
make, it's a good
tea that you can
enjoy.

So I prepared
arrowroot
tea for you,
father-in-law.

I wonder...
if you liked
it...

Yes, I like
it very
much.

Thank you
for the good
tea.

For
Anny Chief,
I will prepare a
cinnamon
tea.

I heard you caught
a cold recently... If
you drink cinnamon
tea it has the effect of
producing sweat so
it is very effective
against colds.

cough

Oh, is
that so?

Thank
you.

I see,

...so you
know how to
pretend to
know tea
well.

NOW! THAT'S
IT-- AND NOW WE
FINISH THE DARYE
CONTEST!

THEN, SHALL
WE LISTEN TO
THE JUDGE'S
OPINIONS?

Zing~

We've all seen
your excellent Darye
skills. However for
Darye, not only are
the formalities
important, but...

...know that
originally Darye's
formalities were just
procedures so that
the one serving tea
could show manners
and care for their
customer.

Therefore, I hope
everyone carries into
their heart that Darye's
important meaning is the
sincerity contained within
the care that the person
has put into the
making of tea.

So...

You see, when I was in my original form— I used to have at least an angel on each arm, by default. If I appeared on my cloud lake and was like "vroom vroom!" then the angels would be like "Kya! Kya!" and collapse:

And with just a single wave of my hand they'll go "Kya! Kya!" You get it? Besides, you can't deny that my face is overly handsome! How is it, don't you want to be like me!

Ugh... "vroom" is
